

Think School Assignment: Pitch Yourself Role

OVERVIEW

We're always looking for people who can **solve problems, build smart systems, or open up new opportunities for Think School even if there's no official role listed yet.**

This is not for passive "hire me if you want" pitches, it's for people who think like owners and can show it.

GOAL OF THE ASSIGNMENT

To evaluate your ability to:

- Research & understand Think School's current story
Spot gaps or opportunities you can own
 - Craft a **clear, no-fluff pitch deck** that shows how you'd add value
 - Think like a mini-founder convincing us why you're worth betting on
-

PITCH YOURSELF DECK

Your task:

- Build minimum of **10–12 slide deck** answering:
“**Why should Think School hire me and how will I make the brand stronger?**”

Your deck must:

- Introduce **who you are & your strongest skills and also your weakness.**
 - Highlight a **clear problem or opportunity you see at Think School**
 - Show **how you'd solve it, own it, or grow it in your first 90 days**
 - Back it up with **real, practical ideas not vague fluff**
 - Keep slides simple, neat we care about *thinking*, not fancy graphics
-

SUBMISSION FORMAT

- Upload your final deck as a **Google Drive link**
- Name your file: [YourName]_ThinkSchool_PitchYourselfDeck
- Sharing: **Anyone with link can view/download**
- Submit the link in the **Typeform**
